Water Fitness

Aerobic Waves- This shallow water class provides a great cardiovascular workout, increased flexibility and enhanced strength without stress on your joints.

Aqua Challenge- Challenge your body while working out with the low-impact benefits of water. This course will utilize challenge methods such as Tabata and Pyramids; with aquatic equipment to burn calories, increase your cardio endurance, strengthen muscles, and improve flexibility and overall balance. Find your own baseline and learn how to build to your personal best.

Aqua Zumba- Get your day going right! Aqua Zumba incorporates all the fun of Zumba high intensity dance movements and Latin music with the gentle support of the water.

HIIT The Deep Water- Enjoy a high intensity cross-training, deep water challenge. This non-impact workout will take you to the depth of fitness training. The focus is cardiovascular and strength training using various equipment and movements. Basic deep water skills are necessary.

HIIT The Water- Enjoy a high intensity cross-training in the shallow end! This non-impact workout will take you to the depth of fitness training. The focus is cardiovascular and strength training using various equipment and movements. This class is designed for all fitness levels

Pumping Water- A variety of equipment and tempos will be used to increase the weight of your arms and legs as they move through the water. Add in the cooling and increased circulation benefits of the water workout and you will find one of the best strength training workouts available.

Aqua Stretch and Strength- A stretching and toning class all done in the water! This class will work on improving flexibility, balance, and coordination. It is designed to be a full body work-out, and helps to tone your muscles as opposed to gaining muscle mass.

Interval Waves- This class is designed to give you remarkable results both in aerobic and non-aerobic capacity by using aquatic equipment in interval training methods such as Tabata and HIIT. Join us to experience the increased resistance and other benefits of water exercise.

Youth Fitness

Fun Fitness-You will have the opportunity to use all areas of the facility for a variety of workouts. In the fitness center you will learn the proper way to use the equipment. Weight lifting, running techniques, sports drills and much more. Unwind and burn off some energy after school with our DRC youth personal trainer. Ages 7-16.

Youth Speed Work - Do you want to get faster? React faster? And work on your overall speed? This is the class for you! You will work out with speed and agility drills, resistance runs, foot work and start- push speed work. This is a don't miss class. Ages 11-13.

Teen Weight Lifting- Work with a DRC personal trainer on weight lifting and the form needed to build strength and endurance. You will learn fitness center etiquette and recover time. This class will also encourage the proper eating that is needed for success with weight lifting. Ages 13-15.

Yoga- Get a total body workout while you shape, strengthen, and tone your muscles. Breathe deeply and let the school stress melt away. Mats provided.

Land Fitness

Balancing Life- Balance is one of the strongest keys to good health. As we age, this is one of the first things that we have to challenge ourselves with. Balance for Life will help keep you upright, allows you to walk without assistance and helps prevent injury. All fitness levels welcome, but be ready to work hard, this class uses all muscle groups to achieve the goal of balance.

Barre- A workout that combines the best elements of ballet barre, Pilates, functional strengthening, and stretching.

Barre Fusion- Barre fusion is an intense cardio workout formatted to be a heart pumping good time. It is designed to increase your cardiovascular strength while helping you to tone, sculpt, and lengthen your muscles.

Barre Pilates- Try the newest thing in fitness with a class that uses the ballet bar as a prop to balance while doing exercises that focus on isometric strength training combined with high reps or small range of motion movements. Barre Pilates has a Pilates format to give you a total body workout with strong core work.

Boot Camp- Enjoy this new boot camp experience using calisthenics, running/walking, body weight resistance, crunches, agility, power drills and much more!

Bounce Burn- Bounce your way into a great calorie burn! This trampoline class is offered at Oaklawn. It's the up and coming workout you don't want to miss.

Cardio Core- A total body workout with cardio and weight training. Increase your heart rate with a variety of step routines while toning your muscles using weights, body bars, bands and a core training to develop those "POWERHOUSE" abs.

Fit For Life- Restorative fitness to create long-term health, happiness, and wellbeing.

H.I.I.T.- High intensity interval training! Cardio intervals worked in between sets of strength exercises. A fast paced class with a variety of movements to give you strength overall and endurance. All exercises can be modified.

Home School Family Fit- This class offers a fun and inviting fitness opportunity for parents and children. We focus on cardio intervals, strength training, core work, and flexibility. Made for all fitness class levels.

Mash Up- Maximize your results in less time with 3 classes in one! Experience a short, effective workout with variable intensity interval training (VIIT). This program features mind/body, agility/strength and high intensity interval exercises for 3 levels.

Muscle Mania Express- Shorter class that incorporates giant sets, super sets, and circuit training to train and tone muscles.

Muscle Mania- A high energy class that incorporates giant sets, super sets and circuit training to train and tone muscles. An abs workout is included to help you develop a six-pack. All exercises can be adapted to any level.

Nothing But Guts- Just as it sounds, it's all about the core! Fire up your abs, lower back, and glutes to build a stable, stronger, and more powerful core.

Pilates Strength- A blend of Pilates and strength moves will take you through a unique Pilates class that focuses on overall strength for lifestyle function.

Please Stay Seated- Experience strength exercises for you upper body and core while sitting in a chair. Ideal for anyone that struggles with getting off the floor or even wheel chair bound.

Power Lunch- Get fit during lunch with the power of weights. Using all muscle groups you will lift weights and strengthen your entire body. Guaranteed to be doing squats, dead lifts, lunges and strong core work.

Quick Fit- Circuit training is the most popular form of any workout today! Quick Fit will increase muscle strength and endurance while burning calories in just one class. You will use all types of equipment for a fun and exciting class.

Rip Training- Rest in peace knowing you will get a great workout with this fast paced interval training boot camp! Using free weights and mobility training, this will challenge your body. This class is designed for semi-experienced fitness go-ers.

Senior Strength Training- Entry level weight bearing and muscle strengthening exercise class for seniors. Our instructor will help you modify the workout to meet your personal needs.

SHiNE - A dance fitness class rooted in traditional **dance** such as jazz, hip hop and ballet set to great Top 40 music. We take those foundational moves and create **dance** routines that are easy enough for beginners yet challenging enough for the more seasoned **dancer**. The simplicity of the routines allows you keep moving and do less thinking.

Land Fitness cont.

Strong Circuit Express- A shorter 30 minute class with strength training in circuit form to maximize calories burned while working all muscle groups.

Strong Fit- The class is designed to give you that little extra push that you are looking for. It will focus on strength and conditioning using body weight, free weights, med balls, and banded exercises.

Total Body Training- Increase your strength and endurance while improving your cardiovascular fitness in this highly imaginative, total body workout using dumbbells, body bars, bands, and a step.

Weekend Warrior- If you start your Saturday out with Weekend Warrior, you will have a great start to your weekend. This class is one of the few that will also use the fitness center to get the variety and intensity that you will need. It is for all ages and everything can be progressed to your needs.

Zumba- Latin and international music combined in dance routines to burn calories while having a blast!

Mind and Body

Broyoga- A beginning yoga class specifically designed for men. This class will introduce men to yoga. Designed to reduce stress and release muscular holding patterns that are typical in men's bodies. This class combines the best core strengthening, muscle toning, stress reducing, and flexibility enhancing yoga postures.

Candlelight Yoga- This class is set to candlelight to give you a warm atmosphere while enjoying your yoga practice.

Chair Yoga - Yoga poses can be enjoyed in so many ways. In this class you will experience yoga from the comfort of a chair. If you have always wanted to do yoga but have trouble getting up and down off the floor, this is the class for you.

Early Morning Hot Piyo- Start your day out first thing with detoxing HOT PIYO that will give you energy for the rest of the day. Piyo flow will take you through an energizing sequence of poses that will strengthen you while lengthening your spine.

Hot Piyo- Step into our hot studio to sweat, detox and flow. The sequencing of this class incorporates core work to build heat within the body as well as outside the body in a raised temperature environment. PIYO combines practices of Pilates and yoga to help you build strength, lose weight, increase flexibility.

Hot Yoga- Step into our hot studio to sweat, detox and flow. The sequencing of this class incorporates core work to build heat within the body as well as outside the body. Teaching you to ground yourself in each pose, stimulating your mind and restoring your body.

Mindful Meditation- Calm your mind, settle your body and find a softer focus to your day. Beginners to practicing meditators will benefit from this class. This class consists of breath work and then progresses into a guided stretch and ending in a mindful meditation.

Please Stay Seated- Experience strength exercises for you upper body and core while sitting in a chair. Ideal for anyone that struggles with getting off the floor or even wheel chair bound.

Restorative Yoga- This practice is designed to restore the nervous system and help release deeply held tensions from the body and mind. Use props to support postures while gently stretching and strengthening your body.

Stretch & Strength- A stretching and toning class to work on improving flexibility, balance, coordination, and agility. It is designed to be a full body workout, and helps to tone your muscles as opposed to gaining muscle mass.

Story Time Stretch- Enjoy this fun stretching class with your toddler or preschooler! The instructor will go through some basic stretching exercises and end with a fun and educational story book.

Vinyasa Yoga- Bring peace and focus to your mind! Vinyasa is a flowing sequence of movement between Asanas. An Asana is a posture intended to elicit a specific response from the body. Combine them both and get a challenging and invigorating, fast paced flow that will strengthen and lengthen muscles and well as increase mobility in your joints.

Yoga- Hatha Yoga is the ancient technique of stretching with deep breathing to tone and shape joints and muscles. A total-body workout, practiced by any fitness level.

Cycle Classes

Cycle and Tone- This spin class will take you through several different workouts each class. The music will give you the fun and uplifting experience to start your day. Burn calories while riding to the best music in town.

Cycle and Core- Cycling class that includes an on-and-off bike workout. You will be able to have the blend of cardio and resistance work in 1 hour.

Inspirational Spin- "Cycle with a purpose" is the focus of this fun and uplifting cycle class. You will enjoy a Challenging ride, burn calories, and leave with an intention for the day. This is a new class that you will not want to miss.

Just Spin- Just that! The perfect way to start your day! This spin class will take you through several different workouts each class.

Start Spinning- No complicated moves, just pedaling. Sounds easy, but don't be fooled, spinning works your quadriceps, hamstrings, calves, hips and abdominals. It's an excellent method for losing weight, because it burns a tremendous number of calories. It also boosts cardiovascular fitness, muscle tone and endurance.
